

Dear Students and Parents,

We enjoyed seeing our students in our Zoom sessions! We miss you all, and at least we are able to spend a few minutes together through Zoom. We will Zoom again, so look for those notices by email.

1. Finish strong! Make sure that you are doing your best work on the remaining assignments.
2. If at all possible, please complete the assignments before/on the due date. Your teachers are spending a lot of time with emails and phone calls to parents to track down assignments. If there is a reason that you cannot complete an assignment by the due date, please communicate with us. We are here to help! :)
3. Check INow for your grades. If there is a blank space, email your teacher to find out if you are missing an assignment.

Week of April 27:
